Dearest Christmas Angel (#33):

The six of us could never thank you enough for the wonderful Christmas gifts, and the joy and gratefulness you brought to our family!

The past ten years have been very difficult for our family. Anything that could go wrong, has gone wrong. It always seems like we take one step forward, and get pushed back five steps. But every once in a while an angel like you is sent to us to give us the will to keep taking those steps, and keep climbing those mountains.

It was great to see the excitement on our children's faces, and my husband and I were thrilled with our gifts! My husband will probably wear his North Olmsted Eagle wear day and night!

God bless you! My hope is to one day be in the position to help another family like you've helped us. Hopefully if we keep pushing forward, one day we'll get the opportunity to do that.

Gratefully and Sincerely,

Your Adopted Christmas Family
