

Ohio Beer Garden celebrated their grand opening with help from Mayor Kevin Kennedy and the Chamber of Commerce, kicking off with an official ribbon cutting on Friday, October 14th.

The newest restaurant is located at 402 Great Northern Blvd. next to The Rail - North Olmsted, and is bringing a unique sense of brewing camaraderie to northeast Ohio with a communal gathering place. Ohio Beer Garden features limited-edition beers, Ohio spirits and wines, weekly live music, a shuffleboard table, board games and TVs for catching the game in a relaxed indoor/outdoor space. Their fast and simple menu offers pizza and snacks for sharing, and guests are also encouraged to bring in food from home or from their favorite take-out spot. They will also feature a retail area as well with a mix-and-match bottle selection, merchandise and the offering of all draft beers to-go in growlers.
