Any client information obtained from this form will be kept confidential and no personal identifying information about a client (e.g., name, address, telephone number, social security number, etc.) will be released to the public without the client's prior written consent, or unless otherwise required under federal law.

The data collected (age, gender, race, income status, etc.) will be forwarded to the Area Agency on Aging and the ODA and summarized and reported to the Administration on Aging (AOA) in order to keep both state and federal legislators informed on the effectiveness of senior programs (as required by the 1992 Older Americans Act reauthorization).
