

SEVERE WINTER STORM RESOURCE LIST

**Public Utilities
Commission**

This resource list was created by the Ohio Emergency Management Agency (EMA) in partnership with the Public Utilities Commission of Ohio (PUCO), and provides preparation, contact, safety, and response information relative to severe winter storms; specific to heavy snow impacts, high winds, freezing rain, ice accumulation, downed trees, and power outages; for state, local, federal, and tribal emergency managers; those in public security, public health, and public safety agencies; first responders; public works; business partners; non-governmental organizations; and Ohio's citizenry.
