DEPARTMENT ORGANIZATION

The North Olmsted Police Department consists of two divisions: Operations and Administrative. The Operations Division is responsible for the day-to-day business of the department. The Administrative Division is responsible for supplying the Operations Division with the materials and personnel needed for the performance of the police mission.

The Chief of Police leads these two divisions. A Captain oversees the daily operations and administrative duties for patrol, detective bureau, corrections, auxiliaries, record room, communications, and training. In the absence of the Chief of Police, the Captain will also serve the department as acting Chief. In addition the Captain is responsible for the department's evidence technicians, field training officers, departmental training, and bicycle unit. These assignments are handled by officers chosen from within the patrol division.

A secretary is assigned to assist the Chief and the Captain with administrative duties.

The North Olmsted Police Department is currently made up of 48 sworn officers. The Patrol Division has four (4) shifts and each shift is supervised by a Lieutenant and a Sergeant. A total of 36 officers are assigned to the four shifts. Included in the sworn officers are six (6) patrol officers assigned to the Detective Bureau which is supervised by a Sergeant.

The North Olmsted Police Department also has an Auxiliary Unit consisting of 18 non-sworn personnel. These dedicated civilians are trained in traffic control, crime prevention, and crowd control. They are a valuable asset to the department in situations where traffic control/crowd control is needed for an extended period of time as well as supplemental patrol. Utilizing auxiliaries in a situation allows the department to free our patrol officers to handle other important duties. Auxiliaries drive marked police units on development and shopping center patrols adding another tool in the department's proactive patrol tactics.

The Corrections Division is manned by one (1) full-time corrections officer and two (2) part-time officers. They are responsible for the jail and the inmates. Their duties include booking inmates, jail security, and the health and welfare of the incarcerated inmates. The Corrections Officers also handle the video arraignments of inmates with the Rocky River Municipal Court.
