

North Olmsted Parks and Recreation Department

Renovation and Fitness Update #4

September 25, 2014

The past few weeks have seen some significant progress here at the Recreation Center. New plumbing has been installed in the pool locker rooms. New HVAC units have arrived and currently in the installation process. Work on the new hockey locker room has begun and framing of the new meeting room is almost complete. The new Fitness Room windows have been installed, new electrical conduits, and the floating ceiling are now under way. Here are some updated pictures:

Fitness Room (View from Free Weight Area)

Future Ice Rink Entrance (Room A into Concession Stand)

Future Hockey Locker/Shower Room

Pool Locker Room (Women's side)

New Family Changing Rooms (Aquatics Area)

New Meeting Room (Back Lobby)

The hours of operation for the Fitness Room and the Front Desk will be 5:00AM to 10:00PM Monday - Sunday for the months September - May. The hours will be adjusted for the summer months June - August and will be announced at a later date.

Annual memberships are on sale now!! Notification of the Fitness Room grand opening will be sent out to everyone on the members-to-be-list and through mailers once it becomes available.

We need your help spreading the word! We are looking for volunteers to be a part of our "Street Team" and help us walk the friendly neighborhoods of North Olmsted. We are looking to assemble teams on Saturdays in October. **Incentive to help**** earn credit towards your own membership! Call Rob today at 440-716-4129 to join our team!**
