

Cuyahoga County COVID-19 Vaccine Provider List

(Updated 1/15/2021)

You must directly contact the provider of your choice from this list to schedule a vaccine appointment.

If you have signed up at www.ccbh.net/vax to be notified when spots are open at one of their covid clinics, you will still be able to receive a vaccine from them, but you may wait longer than if you choose a provider from this list.
