

One-on-One Swim Lessons

Fall II

This fall, as we continue to practice social distancing, we are offering one-on-one swim lessons. Each swimmer will be paired with a shielded instructor for 6 weeks as they improve upon their skills in the water. Each lesson will be 30 minutes in length. Your time with our instructor will be completely based on the individual's needs and goals. This is a great way for beginners to get comfortable in the water, intermediate swimmers to improve upon their skills and advanced swimmers to refine their skills.
